Dear Member and Supporter,

A person’s identity cannot be far removed or broken off from ones place of origin and heritage. Thus it is natural to ask and learn about ones history and culture. It is the sacred duty of EHCC to educate Ethiopian youth born in the US, to instruct them in their rich history and tradition, and save them from street gangs and drugs and ending as statistics in the Criminal Justice System.

EHCC has the mission of promoting Ethiopian history through education, music and the arts, including arts and crafts for the disabled, sculpture, design, architecture, erection of statues and monuments, poetry and literature, films and all types of audiovisual arts, and by holding events and functions that commemorate historical epochs and historic personalities.

EHCC is incorporated in California as a non-profit charitable organization under the 501(c)(3) IRS Tax code with Corporate No. **3026200**, and with a **Tax Exempt ID 36-4615188**
